RE: INVITATION TO SPEAK — AFRICAN GLOBAL QUEENS SUMMIT 2026, UNITED KINGDOM

Dear Mr Touré,

On behalf of the African Global Queens Summit Organising Committee, and in my own name as Convener, it is with profound honour and admiration that I extend to you this special invitation to **address the African Global Queens Summit 2026** as a distinguished Speaker, at our historic convocation to be held across London and Oxford, United Kingdom, from **14 to 31 August 2026**.

The African Global Queens Summit is an esteemed international gathering that celebrates visionary leadership, cultural heritage, social transformation and excellence among distinguished leaders from Africa and the global diaspora. It seeks to foster meaningful dialogue, strengthen international partnerships and advance economic development, investment and sustainable prosperity across the continent and beyond.

As **Founder and Chief Executive of the Ubuntu Group** and of **Africa 2.0**, and a former Managing Director for Investments and Project Finance at General Electric, you stand among Africa's foremost investors and economic visionaries — architect of projects exceeding US \$30 billion, named by *Forbes* among the ten most influential men in Africa, and a World Economic Forum Agenda Contributor and pioneer of inclusive, technology-driven finance. It is precisely this vision, distinction and inspiring example that we are honoured to place before the sovereigns, traditional leaders and delegates gathered for this landmark occasion.

Accordingly, it is our privilege to invite you to share your insight on **investment, innovation and shared prosperity for Africa** at the Summit's flagship celebration:

- ♦ **The African Global Queens Gala Night** — Porchester Hall, London, **25 August 2026** — an evening of recognition, culture and the arts, and a fitting stage for your voice and vision.

Your address would resonate powerfully with our distinguished audience of government officials, diplomats, traditional rulers, business leaders, academics, faith leaders, philanthropists and emerging leaders from around the world.

We sincerely hope that you will honour us by accepting this invitation. Upon your kind acceptance, the Secretariat will make every provision for your participation, hospitality and comfort throughout your engagements, and will liaise with your office on all matters of protocol and programme.

Please accept, Mr Touré, the assurances of our highest esteem, profound respect and warmest regard.

Yours faithfully,

Obonganwan Barr. Marie Ikpeme Erete
