RE: INVITATION TO SPEAK — AFRICAN GLOBAL QUEENS SUMMIT 2026, UNITED KINGDOM

Your Excellency,

On behalf of the African Global Queens Summit Organising Committee, and in my own name as Convener, it is with profound honour, deep respect and immense admiration that I extend to you this special invitation to **address the African Global Queens Summit 2026**, to be held across London and Oxford, United Kingdom, from **14 to 31 August 2026**.

The African Global Queens Summit is an esteemed international gathering that celebrates visionary leadership, cultural heritage, social transformation and excellence among distinguished leaders from Africa and the global diaspora. It seeks to foster meaningful dialogue, strengthen international partnerships and inspire future generations through the wisdom and accomplishments of exceptional individuals whose lives exemplify service, dignity and impact.

As **Founder and Global CEO of TWOW Africa** and **Chair of the Global Innovation Society of Kenya**, Your Excellency stands among the continent's foremost voices on strategy, transformation and innovation. It is precisely this vision, distinction and inspiring example that we are honoured to place before the sovereigns, traditional leaders and delegates gathered for this landmark occasion.

Accordingly, it is our privilege to invite Your Excellency to **speak at two of the Summit's most distinguished engagements**:

- ♦ **The Lord Mayor's Night** — an evening of civic honour and cultural celebration, where your address will inspire our royal guests, civic leaders and delegates alike.
- ♦ **The African Global Queens Gala Night** — Porchester Hall, London, **23 August 2026** — the Summit's flagship celebration of recognition, culture and the arts, and a fitting stage for your voice and vision.

Your address would greatly enrich these occasions and provide invaluable insight to a distinguished audience comprising government officials, diplomats, traditional rulers, business leaders, academics, faith leaders, philanthropists and emerging leaders from around the world.

We sincerely hope that Your Excellency will honour us by accepting this invitation. Upon your kind acceptance, the Secretariat will make every provision for your participation, hospitality and comfort throughout your engagements, and will liaise with your office on all matters of protocol and programme.

Please accept, Your Excellency, the assurances of our highest esteem, profound respect and warmest regard.

Yours faithfully,

Obongwanwan Barr. Marie Ikpeme Erete
